

Neo Leif

The rap of **Neo Leif** guides you into a new dimension of urban music.

He has traveled the world and has researched for many years so that you can dive into this new experience of music. It's rhythmic, atmospheric, rocking, trendy, adventurous.

He's a performance artist that strives for the most intense experience.

His repertoire goes along with stories in which reality melts with fantasy. His shows are dramatic, theatrical productions with lots of energie - an inspiration to dream, to let loose, to enjoy life and have fun.
